ABOUT THE CAMPUS

The senior school site is situated on the Lower mall. The sprawling campus includes a four storey instructional block. The Nursery Wing, the Preparatory Wing and Junior Wing are located in a separate building, equipped with modern amenities. As per the CBSE direction, the school has a Maths Lab and a fully functional English Lab. An Air-conditioned Conference Room, a Music Room, Art and Craft Room, Dance Room and a well-equipped Library are the other hallmarks of the school. Both the junior as well as the senior wing, boast of state-of-the-art Computer Laboratories, well equipped and modern Science Laboratories, which makes an emphatic statement about the commitment of the school to gear its students to navigate the information superhighway that is changing the world. To add a feather in our cap the school has become techno savvy with the introduction of E-Smart classes. Well-equipped Biology, Physics and Chemistry laboratories are constantly buzzing with activities. Our automated library subscribes to a variety of newspapers and magazines. A canteen serves and refreshes the students during recess. RO Systems installed in the school ensures clean drinking water for the students. Responding to the need of the hour, the school authorities have installed CCTV Cameras in the school premises for additional security. The School Management is particular in providing the best infrastructure, therefore a multi utility hall in the junior wing and a new activity building in the senior wing have been added to the campus. The school also takes pride in the fact that a lift has been installed in the senior wing to facilitate movement of teachers and students

To enhance student comfort, concentration, and overall learning environment, leading to improved academic performance and well-being, improve indoor air quality, reduce the spread of illnesses, and contribute to a more productive learning environment for both students and teachers we have fully air conditioned classrooms that put the school amongst the best of the institutions that boast of all the latest and modern amenities.

CLASS XII

AMAZING ACHIEVEMENT! TIME TO CELEBRATE

Success through sustained dedication.

Budha Dal Public School beamed with immense pride as the Class 12 results were announced, marking a monumental milestone of academic excellence. The entire campus erupted in celebration to honor the incredible hard work, dedication and brilliant achievements of the students. Adding immense grace to the occasion, the honorable President Ma'am, Mrs SukhvinderJit Kaur, personally visited the school to congratulate the children. The Principal, Mrs Harpreet Kaur, warmly welcomed the dignitaries & praised the students.' The highlight of the event was celebrating the spectacular success of Yanadeep Kaur, who emerged as the prestigious District Topper. To mark this glorious feat, a grand celebration was held, kicking off with a joyful cake-cutting ceremony that brought smiles to everyone present. The achievers were honored with a beautiful presentation of garlands, symbolizing their hard work and hard-earned victory.

Both the President and the Principal expressed their deep admiration for the educators and parents who supported these young minds throughout their journey. This year's stellar results reflect the school's unwavering commitment to nurturing top-tier talent and academic brilliance. As these bright achievers prepare to step into the future, the entire Budha Dal family wishes them endless success in their next chapters. The memorable day concluded with high spirits, motivated hearts, and a collective promise to keep raising the bar of excellence

FOUNDER'S DAY

A legacy of excellence, a future of infinite possibilities.

Budha Dal Public School, Patiala, proudly celebrated its 42nd Founder's Day, marking over four decades of academic brilliance and holistic growth. The campus was beautifully adorned, reflecting a legacy of excellence and the school's commitment to nurturing well-rounded individuals. The celebration commenced with a soulful Shabad and the traditional lighting of the lamp, symbolizing the pursuit of knowledge and truth. A large group of students presented a harmonious choir performance, adding a melodic charm to the event.

The stage then came alive with expressive poems and inspiring speeches delivered confidently by the students, who shared their reflections on the school's journey, followed by a vibrant dance performance showcasing their artistic talents and rhythmic coordination. Throughout the preparation phase, students and teachers worked hand-in-hand, fostering a deep spirit of teamwork and dedication that was evident in every single presentation. Interactive sessions held prior to the main event allowed our young learners to understand the vision of our founders & a bright future.

This wonderful collaboration between the staff and students ensured that the essence of our institution was celebrated with both pride and joy. The assembly reached a powerful finish as our respected Principal Ma'am, Mrs. Harpreet Kaur, shared an impactful address, inspiring the student body to uphold the school's core values of integrity and dedication. The event concluded with a heartfelt vote of thanks, expressing gratitude to everyone who contributed to making the celebration a grand success.

baisakhi

Celebrating vibrant golden harvest.

Budha Dal Public School, Patiala, celebrated Baisakhi with immense joy and enthusiasm, transforming the campus into a vibrant hub of Punjabi culture. Students and teachers worked together to decorate the school, capturing the festive spirit of the golden harvest season. The celebrations began with a soulful Shabad, setting a peaceful tone for the morning. Enhancing the festive atmosphere, a large group of students formed a choir to present beautiful, melodic presentations. This was accompanied by students confidently delivering heartfelt speeches and reciting cultural poems that highlighted the essence of the festival.

The energy escalated with traditional folk dance performances, including Bhangra and Giddha, showcasing the students' immense enthusiasm. Interactive classroom discussions further allowed students to learn about the historical significance of the day, focusing on the foundation of the Khalsa Panth and the values of equality and community service. The entire celebration successfully connected our young learners with their rich roots and cultural heritage. The festivities concluded beautifully as our respected Principal Ma'am, Mrs. Harpreet Kaur, shared a warm address, extending her blessings for prosperity and encouraging the student body to stay grounded in their cultural values.

INTER HOUSE BULLETIN BOARD COMPETITION

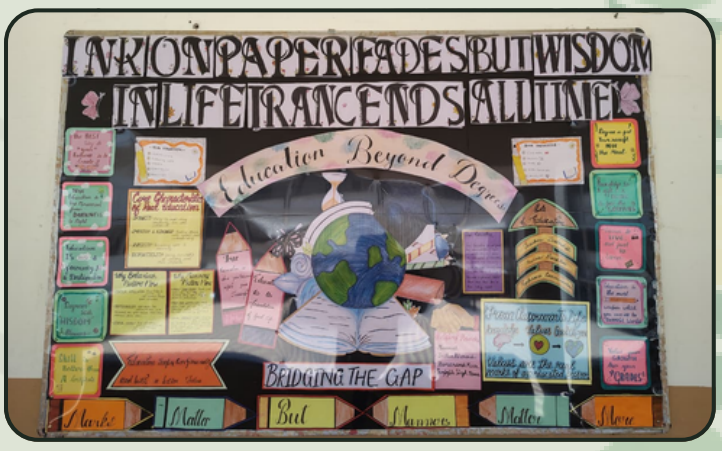

BABA AJIT SINGH JI HOUSE

BABA ZORAWAR SINGH JI HOUSE

BABA JUJHAR SINGH JI HOUSE

BABA FATEH SINGH JI HOUSE

Budha Dal Public School, Patiala hosted an Inter House Bulletin Board Competition to encourage students to showcase their creativity, imagination, and teamwork through attractive displays.

An Inter House spirit was vibrant throughout the school as all four Houses—Baba Ajit Singh Ji House (Red), Baba Jujhar Singh Ji House (Yellow), Baba Zorawar Singh Ji House (Green), and Baba Fateh Singh Ji House (Blue)—presented unique themes with colourful decorations and meaningful messages that reflected their hard work and talent.

This Inter House initiative saw bulletin boards judged by the respected School Principal, Mrs. Harpreet Kaur, on the basis of creativity, presentation, neatness, and relevance to the theme.
The competition inspired students to think innovatively and work together with enthusiasm. It also helped in enhancing their artistic skills and confidence.

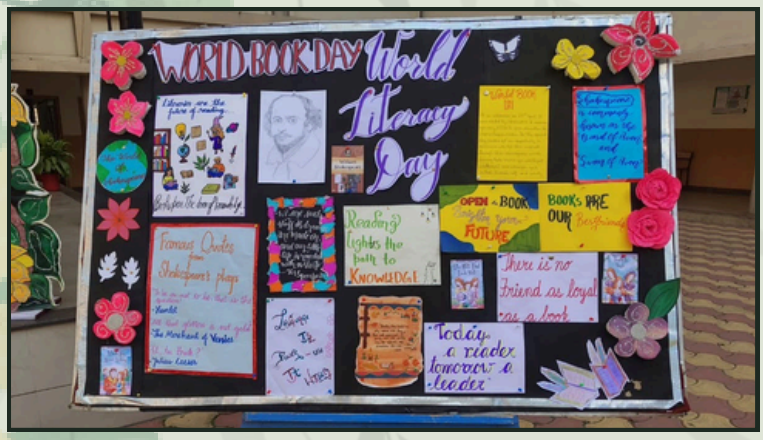

The event was truly a wonderful display of dedication, cooperation, and creative expression by all the participants.

INTERNATIONAL LITERACY DAY

Learning Beyond Boundaries

Budha Dal Public School, Patiala, celebrated International Literacy Day with great enthusiasm under the theme "Power of the Written Word." The celebration highlighted the importance of literacy, reading habits, and effective communication. The event was organized by the students of Class VII in collaboration with the dedicated faculty of the English Department. The morning assembly began with a creative musical presentation of William Shakespeare's famous poem "Seven Ages." Students also delivered inspiring poetry recitations and performed an energetic dance based on the theme "Believe in Yourself," creating a vibrant and motivating atmosphere. Students confidently presented speeches on the significance of literacy, the English language, and the lifelong benefits of developing a regular reading habit. Their presentations encouraged everyone to appreciate the value of books and continuous learning.

To promote creativity and literary skills, various competitions were organized for students of Classes VI to X. These activities included "Spin a Yarn," a Calligraphy Competition, Extempore, Bookmark Making, and Book Cover Designing. The enthusiastic participation of students reflected their creativity, confidence, and love for literature. The celebration concluded on a memorable note with an address by the respected Principal, Mrs. Harpreet Kaur. She appreciated the sincere efforts and excellent performances of the students and encouraged everyone to read more books, strengthen their language skills, and express their ideas with confidence. The event successfully inspired students to recognize the power of literacy and the written word in shaping a brighter future.

EARTH DAY 2026

Protecting Our Planet Together

To actively promote environmental awareness, Budha Dal Public School organized a special assembly in honor of Earth Day. The gathering served as a vital platform to remind the school community of our shared ecological responsibilities. Students and teachers united to pledge their commitment to a greener future.

The event featured a highly impactful role-play delivered by the students, deeply inspiring the audience to step up and save the Earth before it is too late. This performance was accompanied by a thoughtful speech that strongly underlined the absolute necessity of environmental conservation. Adding an energetic and colorful vibe to the celebration, students also created beautiful posters that visually showcased their genuine concern for the planet's well-being.

Addressing the school, Principal, Mrs. Harpreet Kaur highly praised the students for their dedicated creative efforts. She took the opportunity to firmly emphasize how crucial it is to protect our natural resources and shift towards sustainable daily practices. .

The celebration ultimately concluded as a meaningful reminder that making even small, conscious efforts can generate a massive impact in preserving our environment and securing a healthier future for generations to come.

SAVE EARTH!

WORLD HERITAGE DAY

PRESERVING OUR ROOTS

Keeping in mind that a person disconnected from their past history and culture is like a tree without roots, Budha Dal Public School passionately celebrated World Heritage Day. The primary goal of the event was to spark awareness among the student body regarding the crucial need to preserve our historical sites and protect our rich, shared legacy for future generations.

The day was marked with a vibrant Special Assembly, offering students a wonderful opportunity to enthusiastically revisit and cherish the cultural richness of the nation. Creative expression took center stage as students proudly presented self-composed poems and showcased a stunning array of colorful posters depicting various heritage sites. This gathering proved to be the perfect platform to build a deeper understanding and appreciation of our diverse cultural identity.

The learning seamlessly extended beyond the campus when the Class IX Social Service Heritage Club embarked on an engaging field trip to the historic Sheesh Mahal. Surrounded by history, the students closely examined historical artifacts and learned about the meticulous conservation efforts required to maintain them. This hands-on educational trip beautifully reinforced their connection to India's cultural heritage, inspiring the youth to become active champions of heritage conservation initiatives.

MOTHER'S DAY

Mother: The simplest word, the greatest love.

"A mother's love is the garden where a child's soul truly learns to bloom." Budha Dal Public School, Patiala, recently organized a heartwarming assembly to celebrate the selfless love and invaluable role of mothers in our lives. The campus was filled with an atmosphere of profound warmth and gratitude as students and staff came together to honor these guiding lights of our families. The celebration commenced with a soulful Shabad, seeking divine blessings for all mothers, which was followed by a vibrant and rhythmic dance performance by our talented students. A special choir presentation added a melodic charm to the event, beautifully showcasing the teamwork and vocal dedication of our young learners.

The highlight of the assembly was the presence of our respected Principal, Mrs. Harpreet Kaur, who addressed the gathering with an inspiring message regarding the profound impact a mother's influence has on a child's character and future success. Beyond the stage performances, students expressed their deep affection through heartfelt handmade greeting cards and creative posters, each one capturing the unique bond they share with their mothers. This celebration served as a poignant reminder that while we honor mothers on this special day, their tireless sacrifices and unconditional support remain the foundation of our strength every single day. The event concluded with a collective promise from all students to cherish and uphold the values instilled by their mothers throughout their lives.

mothers day

NATIONAL TECHNOLOGY DAY

A nation grows stronger through technology

"Young minds creating a digital reality." Budha Dal Public School, Patiala, celebrated National Technology Day with a dynamic focus on digital creativity and technical skills. Students actively participated in an interactive PPT-making activity, where they engaged in meaningful discussions with their teachers to explore advanced software features and presentation techniques. The workshop emphasized critical digital skills, ranging from structured data formatting to the integration of dynamic multimedia elements. This hands-on session allowed students to learn new digital shortcuts and organizational strategies, significantly improving their ability to be technology-efficient in a modern environment.

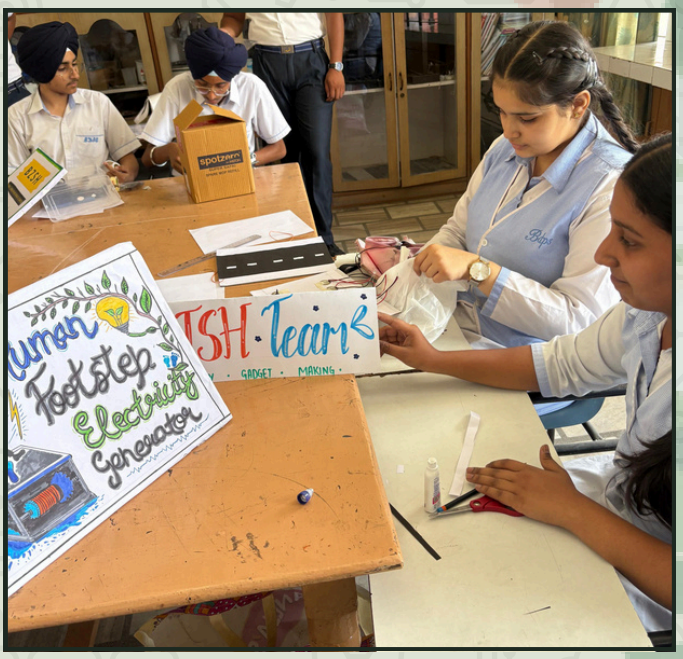

By collaborating closely with their mentors, our young innovators not only mastered the art of visual storytelling but also gained a deeper understanding of how to leverage technology for academic and personal growth.

INTER HOUSE DIY GADGET MAKING

Innovating today, engineering tomorrow.

Budha Dal Public School, Patiala, conducted the Inter House Gadget Making Competition—providing students with a dynamic platform to creatively express their scientific ideas, technical skills, and innovative concepts. All four Houses—Baba Ajit Singh Ji House (RED), Baba Jujhar Singh Ji House (YELLOW), Baba Zorawar Singh Ji House (GREEN), and Baba Fateh Singh Ji House (BLUE) embraced unique technological themes and translated them into highly functional, visually captivating engineering displays.

The extensive preparation phase highlighted a profound spirit of collaboration between the staff and students, with teachers working hand-in-hand to mentor the young participants. Each house engineered distinct prototype devices and inventive working models, demonstrating a brilliant cross-disciplinary application of science, practical design, and modern electronics. The entire exhibition area resonated with intellectual energy as teams from all houses put forward their best inventive creations.

MISSION CLEAN PATIALA

Together for a Cleaner, Greener Patiala

As part of its continued commitment towards environmental sustainability and civic responsibility, Budha Dal Public School, Patiala organized a cleanliness and awareness campaign under Mission Clean Patiala. The initiative was conducted in collaboration with the Municipal Corporation and under the guidance of the Punjab Pollution Control Board.

Students enthusiastically participated in the drive, spreading awareness about the importance of maintaining clean surroundings, proper waste disposal, and waste segregation. Through interactive discussions with shopkeepers and local residents, they encouraged the community to adopt eco-friendly habits and reduce the use of single-use plastics.

The young volunteers also highlighted the significance of environmental conservation and motivated citizens to contribute towards a greener and healthier city. Carrying informative placards and banners, the students conveyed powerful messages on cleanliness, sustainability, and responsible citizenship.

NATIONAL YOGA DAY

MIND, BODY AND SOUL UNITED.

With great enthusiasm and a spirit of wellness, our students actively participated in the International Day of Yoga celebration organized by the Patiala Sahodaya Schools Complex on 21st June 2026. The event inspired students to embrace yoga as a way of achieving physical fitness, mental peace, and emotional balance. The programme featured the practice of various yoga asanas, pranayama, and meditation under the guidance of trained instructors.

Our teachers played a vital role in motivating and encouraging students throughout the event. Their guidance, support, and active participation inspired every student to perform with confidence and understand the importance of making yoga a regular part of daily life. The celebration reinforced the message that "Yoga is the journey of the self, through the self, to the self." It encouraged everyone to adopt healthy habits, reduce stress, and promote harmony between the mind and body.

The event concluded on a positive note, leaving students motivated to continue practising yoga regularly and spread awareness about its countless benefits among their families and friends. The celebration served as a reminder that yoga is not just a form of exercise but a way of life that nurtures overall well-being. Through this meaningful experience, students developed a greater appreciation for the value of health, discipline, and inner peace.

SUMMER CAMP

Adventure awaits under the summer sun.

Budha Dal Public School, Patiala, organized a vibrant and activity-filled Summer Camp for students from Nursery to UKG and Classes I to VIII. The camp aimed to provide students with a joyful learning experience during their summer break while helping them discover and develop their talents. Students enthusiastically participated in a wide range of activities, including Gatka, Band, Dance, Music, Yoga, Zumba, Calligraphy, Cooking Without Fire, Art and Craft, Drawing and Painting, Storytelling, Personality Development Activities, Indoor Games, and Fun Learning Sessions. These activities encouraged creativity, physical fitness, teamwork, discipline, and self-confidence among the participants. The camp provided a platform for students to learn new skills, express themselves freely, and interact with their peers in a positive and energetic environment. The engaging sessions helped students enhance their artistic, cultural, and physical abilities while making their vacation both productive and enjoyable. The Summer Camp concluded on a cheerful note, leaving students with wonderful memories, valuable experiences, and renewed enthusiasm for learning.

INTERNATIONAL LABOUR DAY

Celebrating the Dignity of Labour

As we reflect on the spirit of collective effort, our school once again came together to celebrate Labour Day, honoring the dedicated individuals who form the backbone of our institution. This year's commemoration was a heartfelt tribute to our invaluable support staff, featuring a special assembly where students expressed profound gratitude for the tireless commitment these essential workers bring to our campus every day. Through moving speeches and recitations, students highlighted the vital role that our support staff plays in fostering a nurturing environment, while handmade "Thank you" cards provided a personal touch to honor these unsung heroes. Ultimately, the assembly served as a meaningful reminder that our school's success is built upon the integrity and hard work of every member of our community, with school leadership once again recognizing how these efforts are fundamental to the daily operations and well-being of our school family.

CELEBRATING EXCELLENCE

Achievements That Inspire

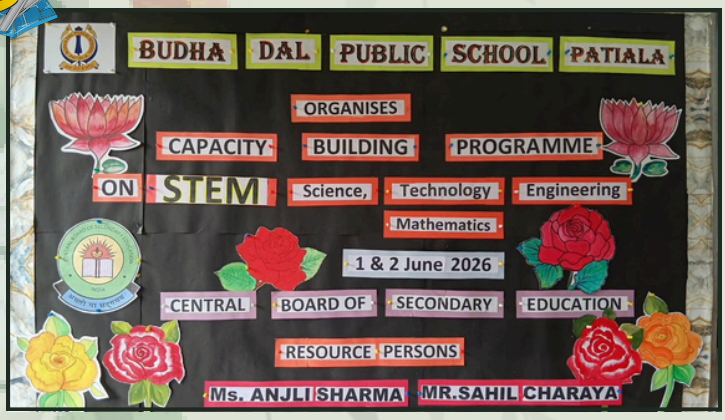

Budha Dal Public School is bursting with pride as our talented students continue to conquer regional, state, and international arenas across sports, arts, and academics! In chess, Shabadpreet Singh (Class VI) delivered a masterclass in strategy, securing commendable performances at both the Under-13 Open Battle of Brains Patiala Chess Championship 2026 and the Bedi Chess Academy tournament. On the dance floor, Samreen Kaur (Class VI-A) left audiences spellbound, capturing the First Position in the 3rd Folk Naach Bhangra and Giddha Solo Cup 2026, finishing as First Runner-Up at the Fankaar Championship, and earning the prestigious "Fankaar Championship Award 2025–26".

Our sports stars also brought massive laurels to the campus: Aliyana Goel (Class VI-A) won the Bronze Medal in the Under-13 Mini Punjab State Ranking Badminton Tournament, while martial arts prodigy Arnav (Class VI-E) clinched a spectacular Gold Medal at the Taekwondo competition in Kapurthala. Precision and focus took center stage at the 2nd Oxford Shooting Championship in Ludhiana, where sharpshooter Namha (Class VIII) swept Gold Medals in both the ISSF Senior and Sub-Youth Categories alongside an Overall Trophy. Finally, our mental math wizards proved unstoppable on the big stage: Brahmnoor Singh (Class VI) triumphantly lifted the Champions Trophy at the National Level Brainobrain Fest, and Kirpa Nidhan Singh (Class VIII-F) emerged as a global frontrunner by being crowned Champion at the International Abacus Competition. Our honorable School Principal, Mrs. Harpreet Kaur, personally congratulated each of these phenomenal achievers, applauding their unwavering dedication to excellence.

CAPACITY BUILDING PROGRAMME

On Stem Science, Technology ,Engineering & Mathematics

A two-day Capacity Building Programme on STEM Education in Teaching and Learning was successfully conducted on 1 and 2 June in Budha Dal Public School Patiala with the aim of enhancing innovative teaching practices and promoting experiential learning among educators.

The programme was graced by esteemed resource persons Ms. Anjli Sharma, Principal, St. Soldier School, Mohali and Mr. Sahil Charaya (PGT , Computer Science) who shared valuable insights on integrating STEM Education into classroom teaching. The sessions focused on creative methodologies, critical thinking, problem-solving skills and activity-based learning approaches that make education more engaging and effective.

The interactive sessions provided teachers with practical strategies and modern tools to foster curiosity, collaboration and innovation among students. The programme proved to be highly enriching and inspiring for all participants.

GURU GRANTH SAHIB PAATH SHUDH UCHARAN

Rooted in culture, rising to excellence.

Budha Dal Public School, Patiala proudly celebrates the outstanding achievements of its students, who have brought great honour to the institution through their remarkable performances in prestigious external competitions. The school continues to nurture cultural values, discipline, and excellence by encouraging students to participate in events that celebrate heritage and spirituality. Our senior students excelled in the Guru Granth Sahib Ji De Path Da Shudh Ucharan Competition, organized by the Academy of Sikh Religion and Culture. Demonstrating exceptional pronunciation, devotion, and confidence, Tanveer Kaur (Class XI C) secured First Position, while Japneet Singh (Class XI C) earned Second Position.

Both students were felicitated with certificates and trophies for their outstanding performances. Adding another feather to the school's cap, Mahipal Singh (Class X-F) won First Position in the Turban Tying Competition held at the historic gurudwara Dukhniwaran Sahib. Competing against 670 participants, he impressed the judges with his precision, confidence, and exceptional turban-tying skills. He was awarded a 44-inch Samsung LED TV, a cash prize of ₹1100, and a commemorative medal for his remarkable accomplishment.

These achievements reflect the values of dedication, discipline, and cultural pride instilled in our students through holistic education. Such accomplishments inspire fellow learners to strive for excellence while staying deeply connected to their rich cultural and spiritual heritage. The school extends heartfelt congratulations to the achievers and wishes them continued success in all their future endeavours.

CULTURAL AND CREATIVE EXPRESSIONS

Culture, art, and love entwined

Budha Dal Public School, Patiala, organized a vibrant and colorful assembly in the Junior Wing to celebrate the auspicious festival of Baisakhi with immense joy and cultural fervour. The entire school block, bustling with the energetic presence of our young learners, was beautifully decorated with traditional motifs, wheat stalks, and bright streamers to reflect the rich heritage of Punjab. The festive morning commenced with a soulful Shabad to seek divine blessings, setting a serene and pious tone for the day's celebrations. The campus soon came alive as students, dressed in traditional Punjabi attire, presented rhythmic poems, inspiring speeches, and energetic Bhangra and Giddha performances with remarkable synchronization and enthusiasm. To further encourage creativity and fine motor skills, the Junior Wing also organized an English Calligraphy Competition, where students displayed exceptional focus, artistic flair, and pride in neat handwriting.

The competition transformed classrooms into spaces of quiet concentration as children carefully crafted every curve and stroke, turning simple alphabets into elegant works of art. The activity beautifully emphasized the importance of manual penmanship, patience, discipline, and attention to detail in an increasingly digital world. The celebrations continued with a heartwarming Mother's Day programme, during which students expressed their love and gratitude through handmade cards, heartfelt messages, and thoughtful tokens of appreciation. They also presented touching poems, melodious musical performances, and expressive speeches that highlighted the unconditional love, care, and sacrifices of their mothers. Their innocent yet sincere expressions filled the atmosphere with warmth, affection, and deep emotional connection.

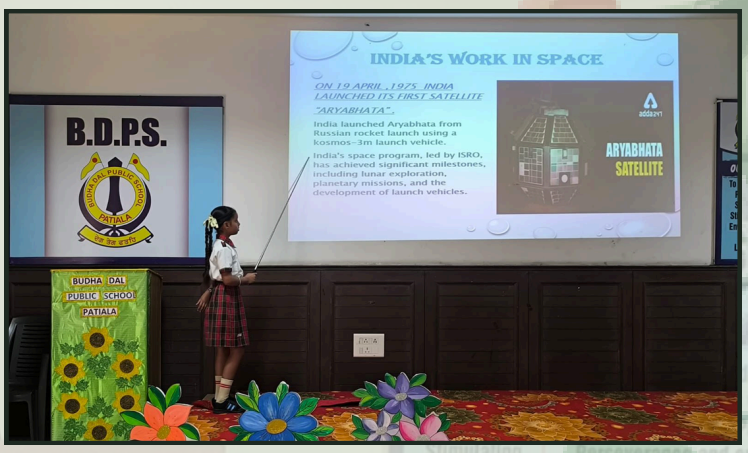

Throughout the preparation of these memorable events, the dedicated teachers worked closely with the young learners, meticulously choreographing performances, refining handwriting skills, and guiding creative classroom activities. Their constant encouragement and teamwork ensured that the values of cultural pride, family bonding, creativity, and cooperation were meaningfully instilled in every child. The seamless coordination between the staff and students contributed greatly to the success of each celebration, making the experience both educational and memorable. The joyous series of events concluded under the gracious guidance of Mrs. Bharati Kwatra (Incharge, Junior Wing), who warmly congratulated the young participants for their confident stage presence, beautiful handwriting, and heartfelt dedication, inspiring them to continue striving for excellence in every sphere of life.

ENVIRONMENTAL AWARENESS & TECH TALENTS

Green hands, bright digital futures

With a strong vision to foster global sustainability and ecological responsibility, the Junior Wing enthusiastically observed Environment Day across the campus. The school block was transformed into a green haven as students actively participated in a collaborative plantation drive, carefully potting saplings and learning firsthand about nurturing nature. Interactive classroom discussions and dynamic poster-making sessions encouraged the young eco-warriors to explore simple ways to save water, reduce plastic usage, and protect local wildlife. Through their creative illustrations and thoughtful messages on environmental conservation, the students demonstrated a deep understanding of ecological issues while reinforcing the importance of preserving Mother Earth for future generations.

The PPT Making Competition challenged students to think critically, organize ideas logically, and transform technical knowledge into creative digital presentations, highlighting their readiness for a technology-driven future. Throughout the preparation of these diverse events, teachers worked closely with the students to refine public speaking skills, enhance digital presentation techniques, and cultivate environmentally responsible habits. The collaborative efforts of the staff and learners reflected the school's commitment to holistic development and experiential learning. The celebrations concluded under the gracious guidance of Mrs. Bharati Kwatra (Incharge, Junior Wing), who applauded the students for their technical acumen, fearless stage presence, and environmental consciousness, inspiring them to continue pursuing excellence with confidence and determination.

Building upon this spirit of awareness, the presentation arena became a hub of confident expression during the annual English Declamation Competition. Young orators delivered well-researched speeches on contemporary topics with remarkable clarity, correct diction, and persuasive expressions, showcasing both confidence and intellectual curiosity. The competition served as an excellent platform to strengthen public speaking skills and overcome stage fright. Continuing the spirit of innovation, students also participated in an engaging PPT Making Competition, where they designed visually appealing presentations by effectively combining structured layouts, relevant images, creative transitions, and informative content across a range of educational and scientific themes.

If Trees Could Talk

If trees could talk, they ‘d call our way,
“Take care of nature everyday.”
They’d wave their branches in the breeze,
And whisper softly through the trees.
They’d shade us on a sunny noon,
And hum a tune beneath the moon.
They’d ask us kindly, “Plant some more,
To help the Earth forever soar.”
If trees could talk, they’d cheer the rain,
That helps the fields and hills remain.

पेड़ों का महत्व

पेड़ हमारे जीवन का बहुत महत्वपूर्ण भाग हैं। वे हमें शुद्ध हवा, फल, फूल और लकड़ी देते हैं। पेड़ों से वातावरण स्वच्छ और सुंदर बना रहता है।
पेड़ हमें ऑक्सीजन देते हैं और प्रदूषण को कम करने में मदद करते हैं। गर्मियों में पेड़ ठंडी छाया देते हैं। कई पक्षी पेड़ों पर अपना घोंसला बनाते हैं। पेड़ वर्षा लाने और मिट्टी को सुरक्षित रखने में भी सहायक होते हैं।
आजकल लोग बड़ी संख्या में पेड़ काट रहे हैं, जिससे पर्यावरण को नुकसान हो रहा है। इसलिए हमें अधिक से अधिक पेड़ लगाने चाहिए और उनकी रक्षा करनी चाहिए।
अंत में, हम कह सकते हैं कि पेड़ प्रकृति का अनमोल उपहार हैं। इनके बिना जीवन संभव नहीं है।

Screen Time vs Green Time

In today’s modern world, screens have become a part of our everyday life. Students spend hours on mobile phones, laptops, and televisions for studies as well as entertainment. While technology helps us learn and connect with others, too much screen time can affect our health, concentration, and physical activity. Slowly, outdoor games and real conversations are being replaced by virtual ones. Green time, however, brings peace, freshness, and positivity into our lives. Spending time in nature, parks, and playgrounds keeps us healthy, active, and stress-free. It refreshes the mind, improves creativity, and helps us enjoy the beauty of the real world. Therefore, balancing screen time with green time is important for a happy, healthy, and successful life.

FROM THE EDITOR'S DESK

"A school is like a garden. Students are the seeds, teachers are the gardeners, knowledge is the sunlight, values are the water, and hard work is the soil that helps every child bloom into their best self."

Dear Readers

With profound pride and heartfelt delight, we bring you the latest edition of our newsletter.For the second quarter our theme is'Nature Nurtures'Nature teaches patience, balance, and resilience, while schools teach academics, discipline, and values.A garden flourishes when it is cared for, just as a school thrives when students, teachers, and parents work together.Nature nurtures seeds into strong trees, and schools nurture young minds into responsible adults.

In a fast-paced world, our newsletter serves as a thread that weaves together the stories, achievements, and aspirations of our school.

We take a moment to celebrate the remarkable achievements that have made our school proud. We are delighted to congratulate our Class X and XII students on their stupendous board examination results. Their hard work, perseverance, and dedication have brought laurels to the school and set an inspiring example for all. We also extend our heartfelt appreciation to our teachers and parents whose constant guidance and support played a vital role in this success.

A note of thanks for our respected Principal ma'am for creating a unique blend of tradition with innovation making our students ever ready to meet the needs of this ever changing world.

With this outstanding achievement as our foundation, we are filled with renewed enthusiasm and confidence.Every classroom, competition, project, and event will contribute to shaping young minds.

Through this newsletter, we aim to capture and celebrate the vibrant life of our school—its achievements, creativity, innovations, and memorable moments. We hope it serves as a platform that informs, inspires, and connects every member of our school community.

Kudos! to our dynamic editorial team for working with great precision and dexterity to make these pages come alive .

As we turn the pages of this new edition , let us embrace challenges with determination, pursue excellence with passion, and make unforgettable memories.

Hope you have as much fun reading it as much as we had creating it !
