

## **Budha Dal School Launches its Mobile App(01-04-2016)**

Budha Dal Public School launched its android app on Google Playstore today. Our School has become the first school in Punjab to have our own app. This app is being powered by Futuristic School Solutions. A dedicated team of 5 people is taking care of data collection and uploading. Parents will be having daily updates regarding attendance of their wards. Subject Wise Homework will be available for every class under Homework Module. Parents will get notification for all the new additions/ updates on their android mobile. Parents will get to know about class performance of their wards with graphical analysis of performance over a period of time. Also, School calendar containing the Activities and Events of the school will be hosted in this app. School Photo gallery will contain photographs of School Functions, which can be downloaded on parents devices. Students travelling by School bus can track the school bus through this mobile app via GPS. The real time location of the bus will be available on google maps and parents will get notifications when the school bus will start its journey and at the time when it will reach within 1 KM radius of the bus stop of the student. A lot many features will be introduced in the next version like parent teacher Interaction, Discussion Forums, Competitions etc. The user name and passwords were sent on parents mobile on 11th April. On the first day of Launch, the School app has been downloaded by more than 1000 parents and got a rating of 4.6 on Google Playstore. An ios version of this app for Apple iPhones and iPads will be released shortly. It is a fabulous start for the school app. This initiative of the school has been lauded by parents and appreciated by stakeholders. We urge all parents to download this app to remain in touch with the school activities and performance of their wards.
