punctuation marks will be read by the students. Different examples will be given for the better understanding of the topic. All the related exercises will be done in an interactive way. A variety of exercises will be done to make the concept clear.

Hands on Activity (Experiential Learning)-

Using flashcards- Students will be shown flashcards and then asked about the types of punctuation marks.

Art Integration- *The students will be asked to draw or paste any two signs of each kind of punctuation marks.*

Interdisciplinary Linkages and Infusion of Life Skills-

By doing various exercises of punctuation marks, students can identify when each punctuation mark (exclamation sign, question mark, comma and full spot) is needed.

Recapitulation- *will be done, oral revision will also be given.*

Resource Including ICT (Information and Communication Technology)-

E-book, work books, internet

<https://youtu.be/Y-DTA0PeVz4?si=xV-214cUi2cztbqM>

Assessment Items - To check the conceptual clarity, various types of assessment will be done. Exercises in the work book and note book will be done. Revision assignments will be given. Practice sheets will also be given.

Feedback and Remedial Teaching-

Students (slow learners) will be asked to watch more videos related to the topic. They will be encouraged to read the lesson carefully and do practice of spellings.

Inclusive practices and full participation without discrimination-

*Group Activity

*Reading Activity

*Watching Videos

*Flash Cards

*Hands on Learning

*Charts

Month-May

No. of teaching days required to complete the topic-
16

Topic- Lesson 2 Training Patchy(course book)

Lesson 3 The Clouds (poem)

Reading Section-Unseen Comprehension

Learning Outcomes-

- 1. Knowledge objectives-** *The students will learn about rhyming words and they will get knowledge about intonation and voice modulation.*
- 2. Understanding objectives-** *Students will understand the importance and beauty of the clouds.*
- 3. Application objectives-** *Students will appreciate the beauty of clouds.*
- 4. Skill objectives-** *The students will learn to admire the various things that are wonderful in nature.*

Previous Knowledge Testing-

- 1. Name some things of nature.*
- 2. Name the thing that helps in bringing rain.*
