

TERM 1

CLASS 2 ENGLISH LESSON PLAN

Session- 2026-2027

Month-April

No. of teaching days required to complete the topic-
23

Topic- Lesson- 1 Our Album of Memories

The Alphabet (Grammar Book)

Lesson- 2 Sentences (Grammar Book)

Punctuation Marks and rewrite the sentences using capital letters.

Learning Outcomes-

- 1. Students will be able to identify and order significant events from their past, appreciating how these experiences shape their present identity.*
2. Students will learn to value the role of family members in their lives and recognize the importance of preserving shared history.
3. Learners will be able to reflect on past happiness, challenges and growth enhancing their self-awareness.

4. Students will develop skills in assembling and arranging memories through photo album.

Previous Knowledge Testing-

1. Do you have a family photo album?
2. What specific memories were included in the album?

Teaching Aids- Reader book, blackboard, chalk, pictures showing of photo album and old pictures.

Pedagogical Strategies-

The teacher will read the lesson and the students will repeat after her. The students will be asked to mark new words in the book. The teacher will explain the lesson. Through this story the students will learn about importance of documenting personal, family or school history to preserve memories.

Word meanings, make sentences and question answers will be discussed and students will note them down in the notebooks. Back exercises and activities will be done in the Calyx book.

Hands on Activity (Experiential Learning)-

Students will be asked if they go on a family trip. How will they keep a record of the memories they will cherish? They will share their ideas in a group.

Art Integration-

Students will draw or paste a picture of their family trip from their old memories.

Interdisciplinary Linkages and Infusion of Life Skills-

Students will develop an appreciation for the role of family and friends in their lives.

Recapitulation- *will be done, oral revision will also be given.*

Resource Including ICT (Information and Communication Technology)-

E-book, work books, internet

[https://youtube.com/shorts/ OzftNmgW-M?si=sKiDmgrd31JFAGxh](https://youtube.com/shorts/OzftNmgWM?si=sKiDmgrd31JFAGxh)

Assessment Items-

- 1. Dictation will be given from the lesson to make students learn new words and spellings.*
- 2. Test of question answers and word meanings will be given to test their understanding of the lesson.*

Feedback and Remedial Teaching-

Students (slow learners) will be asked to watch more videos related to the topic. They will be encouraged to read the lesson carefully and do practice of spellings.

Inclusive practices and full participation without discrimination-

**Group Activity*

**Reading Activity*

**Watching Videos*

**Flash Cards*

**Hands on Learning*

**Language Game*

Topic-Punctuation Marks

Learning Outcomes-

1. Knowledge objectives- Students will be able to learn about punctuation marks and it's kinds.

2. Understanding objectives- Students will be able to differentiate between different kinds of punctuation marks.

4. Skill objectives- Their vocabulary will be enriched. Hence writing skills will also be improved.

Previous Knowledge Testing-

1. *What punctuation mark do you use at the end of the question?*

Eg:

Write question about your favourite animal.

2. *When should you use an exclamation mark?*

Eg:

Write a sentence that shows excitement or surprise.

Teaching Aids- *Chalk , duster, blackboard, chart, flashcards, book.*

Pedagogical Strategies-

The teacher will explain punctuation marks and it's types in detail. Definitions and examples of all kinds of punctuation marks will be read by the students.

Different examples will be given for the better understanding of the topic. All the related exercises will be done in an interactive way. A variety of exercises will be done to make the concept clear.

Hands on Activity (Experiential Learning)-

Using flashcards- Students will be shown flashcards and then asked about the types of punctuation marks.

Art Integration- *The students will be asked to draw or paste any two signs of each kind of punctuation marks.*

Interdisciplinary Linkages and Infusion of Life Skills-

By doing various exercises of punctuation marks, students can identify when each punctuation mark (exclamation sign, question mark, comma and full stop) is needed.

Recapitulation- *will be done, oral revision will also be given.*

Resource Including ICT (Information and Communication Technology)-

E-book, work books, internet

<https://youtu.be/Y-DTA0PeVz4?si=xV-214cUi2cztbqM>

Assessment Items *- To check the conceptual clarity, various types of assessment will be done. Exercises in the work book and note book will be done. Revision assignments will be given. Practice sheets will also be given.*

Feedback and Remedial Teaching-

Students (slow learners) will be asked to watch more videos related to the topic. They will be encouraged to read the lesson carefully and do practice of spellings.

Inclusive practices and full participation without discrimination-

**Group Activity*

**Reading Activity*

**Watching Videos*

**Flash Cards*

**Hands on Learning*

**Charts*

Month-May

No. of teaching days required to complete the topic-
16

Topic- Lesson 2 The Emperor's New Clothes

Thank You Prayer (Poem)

Reading Section-Unseen Comprehension

Learning Outcomes-

- 1. Knowledge objectives-** *The students will learn about rhyming words and they will get knowledge about intonation and voice modulation.*
- 2. Understanding objectives-** *Students will recognize and appreciate the blessings in their lives—such as family, food, friends and nature.*
